

Computer Games Development CW208 Project Meeting Notes Year IV

Week Starting:	01/11/2021 TO 5/11/2021
Student Name:	Allexis Alvarico

Description of work completed since the previous meeting

Notes: Also record project backlog, use notes page as required

I still haven't written down any research report, but I had looked at the 3D reconstruction on how it works for the camera and how it processes it to be 3D. The tripod is on the way on a Thursday or Friday. As for Linux, I wasn't too sure if I should turn my mac into a Linux.

Tasks to be completed this week

Notes: record any additional tasks on the notes page as required.

1	Start research report
2	Install VM for Linux
3	Install the necessary software for the Vive VR
4	Find A library for 3D reconstruction
5	
6	

Supervisor Comments

We need to start seeing an overall view of what you think your project will look like.
