

Computer Games Development CW208

Project Meeting Notes Year IV

Week Starting:	18/04/2022 TO 24/04/2022
Student Name:	Allexis Alvarico

Description of work completed since the previous meeting

Notes: Also record project backlog, use notes page as required

The second week of the Easter holiday I was trying to get the camera stream over the holiday I manage to get it working but it has to be used in a format of MJPEG. On the weekend I managed to do some research on how to make VR work with unity and raspberry pi and came to the conclusion that there is no way of making it work with unity to raspberry.

Tasks to be completed this week

Notes: record any additional tasks on the notes page as required.

1	Read the controls again on sun founder code
2	Get commands to work for the drone to move
3	Xbox controller support in unity.
4	
5	
6
