

## Computer Games Development CW208 Project Meeting Notes Year IV

Week Starting:	22/11/2021 TO 26/11/2021
Student Name:	Allexis Alvarico

### Description of work completed since the previous meeting

Notes: Also record project backlog, use notes page as required

I've finished working on the RC drone and I need to install the necessary software into the raspberry pi. I decided to drop my pursuit of creating a 3D surveying drone for my project and decided to make a facial recognition program within the drone.

### Tasks to be completed this week

Notes: record any additional tasks on the notes page as required.

1	Learn more about how to setup the raspberry pi
2	Install softwares into the raspberry pi
3	Implement the starter code
4	
5	
6
